Ref: Citizen Complaint

On 3/11/16 I received a citizen complaint against Dep. Bryan London concerning an off duty incident that occurred on 3/10/16 or 3/11/16 at 7223 Manatee St. Navarre. Dep. London is currently assigned to D-2 Patrol on day shift and is a subordinate under my direct supervision.

On 3-11-16 I received a phone call from Dep. London advising that he wanted to make me aware of an off duty incident that occurred on 3-10-16. Dep. London told me that on the previous night he went to the home of his girlfriend's estranged husband, Phillip Cohen and knocked on the front door at approximately 2300 hrs. Dep. London stated that he must have been looking for his girlfriend and had no idea why he would have gone to the residence. Dep. London explained that he did not recall the incident and that he must have "blacked out". Dep. London stated that his girlfriend informed him of the incident after she received a call from the homeowner, Kristoffer Grzejka who shares the home with Phillip Cohen. While on the phone with Dep. London I was advised by dispatch to contact Kristoffer Grzejka in regards to a complaint on Dep. London.

I made telephone contact with Kristoffer Grzejka via telephone. Mr. Grzejka stated that on 3-11-16 someone came to his residence and opened his front door without knocking. Mr. Grzejka explained that he has two families living inside the residence and his children sleep in the living room. Mr. Grzejka heard his front door open and then slam at approximately 12:00 hrs. Upon hearing this, he looked out the window and observed a vehicle he didn't recognize in the driveway. Mr. Grzejka stated that after a couple of minutes the vehicle drove away. On 3-11-16 Mr. Grzejka received a call from Dep. London's girlfriend Courtney Cohen, apologizing on behalf of Dep. London for coming to his residence. Mr. Grzejka advised that he is concerned about the behavior of Dep. London and wished to file a formal complaint. I met with Mr. Grzejka at a mutually agreed upon location and obtained a sworn citizen complaint form from him. I have attached a copy of the citizen complaint form to this memorandum.

Ref: Dep. London Supervisor Inquiry

On 03/21/16 I received an information call from dispatch (SRSO16CAD032979). The call notes advised that Courtney Cohen wished to speak with me regarding a Deputy whom works on my shift. I made telephone contact with Courtney Cohen. Ms. Cohen advised me she wanted to make me aware that the statement she provided against Dep. London was false. Ms. Cohen explained that her husband, Phillip Cohen coerced her to make the statement because he was angry at Dep. London for engaging in a relationship with her. Ms. Cohen stated she was scared of her husband; however this was her first opportunity to speak with someone away from him and she wanted to set the record straight. I requested that Ms. Cohen meet with me at the D-2 office to provide a sworn recorded statement.

On 3-21-16 I met with Ms. Cohen at the D-2 office. No portion of the interview took place off the record with the exception of a brief introduction. During the course of the recorded interview Ms. Cohen stated that the statements provided to Lt. Musselwhite as part of the supervisory inquiry were false. Ms. Cohen denied that Dep. London ever harassed, followed, stalked or even contacted her against her will. Ms. Cohen denied that Dep. London ever came to her residence on duty, other than in response to her request to do so. Ms. Cohen explained that she currently has nowhere to live other than with her husband. She alleges that her husband threatened to kick her out of the home and take her children if she did not file the statement against Dep. London. Ms. Cohen told me that she has not been asked, threatened or coerced by Dep. London or any member of the Santa Rosa County Sheriff's Office to recant her original

statement. I have enclosed a copy of the recorded statement for your review and to be added as part of the supervisory inquiry.

Bryan London and I met about over a year ago. We played darts together. We became really close friends. I was having some issues with my husband Phillip Cohen. In Nov we ~~hooked up~~ ^{had sex together.} ~~we were from friends~~ when my husband Phillip Cohen came to town we got into a big argument. ~~He~~ Bryan London told me if I didn't file an injunction he would tell my husband everything. I also filed the injunction because my husband tried to take the kids we have together away from me. I didn't file for divorce till Jan. He payed for me to file the divorce. Feb 19th I went back to my husband Phillip Cohen. He was told not to contact me anymore. He continued to text me to come back to him. He use to drive by the house and just see what I was doing and if I was at home or not. He stayed outside sleeping in the driveway at my brothers house on March 10th 2016 waiting to see if I was going to pull up with my husband or not. He also went to my sister n law's house the same night banging on her door to see if I was there with my husband. My sister n law is afraid for her family. I want to make it work with my husband. I need Bryan London to stay out of my life so I can move on with my family and move forward.
